SECTION 1 - INTRODUCTION

1. PURPOSE

It is the purpose of this Manual of Operations to provide assistance and direction to those who are responsible for the operating needs of minor hockey teams in the City of Thorold through the listing and outline of various rules, regulations and policies which govern the day-to-day operations of the Thorold Amateur Athletics Association. From time to time, these items can be rewritten, revised, revoked and added upon by the TAAA Board at monthly meetings to meet the needs of the association on an ongoing basis. Changes will be posted to the website upon acceptance.

TAAA will operate and abide by the rules and regulations as set out by Hockey Canada, Ontario Minor Hockey Association (OMHA), Ontario Hockey Federation (OHF), Niagara District Hockey League (NDHL), Niagara District Local League (NDLL) and any other league or governing body we are associated with.

In addition, we will be governed by our TAAA Bylaws No. 2 (April 2023 acceptance) and the general provisions in this TAAA Manual of Operations. This Manual of Operations will provide a set of guidelines to assist us throughout the day-to-day operations of the hockey organization.

The TAAA Manual of Operations – as well as ALL Stand Alone TAAA Policies - will be posted on the website as frequently as possible and in the most up to date timeframe possible for members to view. Unforeseen exclusion from a posting of a certain item or portion of an item onto the website does not infer that the policy does not exist or is not enforceable.

7. INTRODUCTION TO THE TAAA PROGRAMS

The Thorold Minor Hockey Association (TAAA) is a non-profit recreational sport association, incorporated under the laws of the Province of Ontario. TAAA is responsible for all Minor Hockey activities within the boundaries established by the Ontario Minor Hockey Association (OMHA). TAAA is responsible to and receives its mandate from the OMHA which in turn receives its authority from the Hockey Canada (HC).

MISSION STATEMENT

The Thorold Amateur Athletic Association is committed to creating a hockey program for the youth of Thorold that is affordable to all families, where participants can develop and learn the technique and skills of the game, life skills, and good sportsmanship in a safe environment. The mandate of our program will also include an emphasis on developing good citizens with

The TAAA is also a participating member of the Niagara District Hockey League and the Niagara District Local League, and receives authority from those leagues as well with regards to scheduling, rules and other areas covered within their operational documents; as members in good standing with those two leagues which we choose to be a member of each year.

All players will be placed on teams by the Association and team management at playing levels commensurate with each player's age, playing skill and experience. Age "DIVISIONS" within minor hockey are set by HC as follows: (Age is set by the players age as of midnight on December 31 of that year)

- Hockey School
- U 7 - 6 & 7
- U8
- U9
- U10/U11
- U12/U13
- U14/U15
- U16/U17/U18
- U19/U20/U21 (max U21)

Hockey in the City of Thorold is divided into "Rep" being the travel teams, and Local League teams.

LEVELS OF HOCKEY WITHIN THE TAAA:

All teams in the TAAA will participate at one of three playing levels

1. INITIATION PROGRAM

The Initiation Program is regulated and follows the Hockey Canada Pathways Program .

These programs are to include Hockey School, U7, U8 levels. An introduction to hockey for young players. This level provides an opportunity to learn the fundamentals of skating – skating forward, stopping, falling and getting back up, introduction to skating backwards and puck handling – in a ‘fun’ environment. The players at this level are divided into small groups so that those that need to develop their skating skills can be done while those that have advanced will be instructed in more hockey based skills as the season progresses. The players are divided into teams, and by the final stages of the season will have their own versions of games to participate in on the ice. The program is run two session per week of approximately one hour each. All games and practices are held at the Thorold Arenas.. All practices planned and skills are introduced in a progressive manner. We try to maintain a good ratio of qualified volunteer instructors to players. This allows us to attend to the individual requirements of the players. All of our instructors must attend a clinic that focuses on skill analysis and development, lesson organization, and communication.

U8 Level provides the grass roots development base for minor hockey in Thorold and is mostly comprised of 6- and 7-year-old players who have completed the IP program.

2. LOCAL LEAGUE HOCKEY – NIAGARA DISTRICT LOCAL LEAGUE

LOCAL LEAGUE level players not selected to play for Representative Teams or whom chose not to play on a Representative team, will play in the Niagara District Local League (NDLL). TAAA will be participating in league play. Teams will be combined with other associations to make up a “local league” or divisions of teams join the Niagara District Local League. The NDLL is comprised of local centers within the Niagara Peninsula who are members of the Niagara District Local League. These centers may include, but are not limited to West Lincoln, Lincoln, Wainfleet, Dunnville, Port Colborne, Grimsby, Welland, Pelham , Fort Erie or Niagara-on-the-Lake. These teams will be carded and rostered on roster sheets and will play at an interlocking level with approximately a 24 - 28 game schedule and a playoff series based on team standings in the league. All levels will play in a non-body checking league.

All players will abide by the Rules and Regulations of the TAAA , NDLL and its governing bodies.

3. REPRESENTATIVE HOCKEY – (B) NIAGARA DISTRICT HOCKEY LEAGUE

Thorold Minor Hockey is classified as a B center within the OMHA. These players may try-out for a place on a B team as per their age level. The successful candidates are chosen to represent TAAA in the U11B through U21B age categories. Each team has a certified roster, and each player must qualify residentially to play for a Rep team. The B team will follow the current guidelines of the OMHA regulations for out of town players. The B Rep teams will play locally in the Niagara District Hockey League and will enter OMHA Playdowns as per OMHA current playdown schedules as well as Niagara District Playoffs as per NDHL playoff schedules. The NDHL will have approximately a 24-28 league game schedule commencing as per the NDHL Schedules and ending at the NDHL schedule. Preliminaries for the OMHA's will be played in a tournament or current OMHA playoff structure..

All players will abide by the Rules and Regulations of the TAAA, NDHL and its governing bodies. A Dress Code for all members of the TAAA B Rep teams shall be in effect as per the Head Coach of each team, which will fall within the approved apparel lineup of the Association.

There are additional costs involved in "Rep" hockey, and the TAAA will set and charge each season a "REP FEE" which must be paid by each successful signee. There are other costs incurred by participants on a Rep team set by the team itself for extra practices, tournaments and other operational costs during the season.

PHILOSOPHY OF TAAA PROGRAMS:

All teams in the TAAA will participate with these philosophies in mind

PHILOSOPHY of THOROLD HOCKEY ASSOCIATION'S VERSION OF THE HOCKEY CANADA'S INITIATION PROGRAM

The program's philosophy is not based on winning or losing - but on learning a new sport, making new friends, and just taking time out to be a kid. In a fun, non-competitive environment, the players learn hockey skills and fair play, with an emphasis on the development of self-esteem and self-confidence at the personal level. The IP promotes the belief that if the introduction to hockey is a positive one, the players will develop a lifetime love of the game.

Initiation Programming Philosophy & Objectives

- To provide children an opportunity to learn and develop hockey Fundamentals and Fitness in an environment of Fun and Fair play (The Four F's)
- Making hockey a very positive and fun-filled experience
- Having fun in a physical activity

TAAA OPERATIONAL MANUAL 2022

- Learning the basic skills needed to play hockey
- Creating and refining basic motor patterns
- Learning the concepts of cooperating and fair play
- Developing an understanding of teamwork
- Build self-esteem in the players' minds
- Develop all the players to the fullest and encouraging full participation

This is a hockey program for 4-7 year-olds. In a fun environment, the players learn hockey skills and fair play, with an emphasis on the development of self-esteem and self-confidence. We believe if the introduction to hockey is a positive one, the players will develop a lifetime life-long love of the game.

TAAA LOCAL LEAGUE PHILOSOPHY

The philosophy of the TAAA Local League hockey is based upon a recreational and inclusive hockey theme. The Association will endeavor to provide recreational hockey with an emphasis on skill development and fair play for all players. Player ice time during games is to be as fair as possible with each player receiving an equal amount of ice time to be able to develop skills and play the game as a member of their team in all situations.

There is not a "win at all costs" philosophy. The Association will provide programs in which each participant may maximize their potential as an athlete and a human being.

TAAA REPRESENTATIVE B HOCKEY PHILOSOPHY

The Travel B Representative teams will be comprised of players, coaches and parents who desire a high level of competition. Player ice time during all games shall be equal with the exception of power play and penalty kill situations as well as during the third period of a game. Players who are subject to team discipline, which will result in less playing time than described by this policy, will be addressed by having their situation identified by the Head Coach to the Rep Director or Convenor prior to any discipline being enacted in a game/practice. Any "in-game" discipline shall again be identified to the Rep Convenor within 24 hours of the conclusion of a game.

Additional Entry (AE/C/MD)(it will be classed as a Tier 2 team – to be named as current OHMA classification) teams will be offered in U11, U13,U15,U18 where registration numbers permit. TAAA will offer AE teams in the above age groups only when the number of total players registered to participate in "Rep" evaluations is at least 34 (excluding goaltenders). Players may opt out of the evaluation process at any time and return to House/Local League and, as such, if the number of players participating in the AE evaluation process drops to less than 15 skaters then the AE team will be removed from that age group and the remaining players will be transferred to the House/Local League player lists. Coaches will strive to combine team progress with individual player development.

Thorold Minor Hockey has developed processes to properly deal with issues of concern of varying degrees in an attempt to mitigate escalating disagreements and/or situations. In order to ensure that your concerns are dealt

with as quickly and promptly as possible, please follow the following procedures and ensure the proper form is completed. TAAA Incident and Complaint Policy

The four options for reporting your concerns and/or complaint so that the appropriate resolution process may begin are:

- 1) Contacting the Team Official directly through courteous and professional means.
- 2) Incident Report
- 3) Complaint Form
- 4) Harassment, Abuse, Bullying related complaint process

Please note that verbal concerns are not dealt with by TAAA as official complaints.

ALL correspondence in writing MUST always be signed and dated.

The following general considerations should be followed in matters of complaints:

- a) Any concerns regarding things seen at the rink, on the website, in or around the TAAA in general, or regarding an in-game item relating to the opponent should initiate their concern with an incident report.
- b) Any concerns pertaining to any member or associate of any team should first be brought to the attention of the Team Manager, or, in the absence of the Team Manager, the Team Coach. This process outlined in Section 13 can be activated.
- c) In the instance the complaint is about the Team Manager or Coach, complaints should be directed to the appropriate TAAA Convener, in writing. Please review Sections 11 and 12 to see which level applies.
- d) Any low level complaints/informal complaints that remain unresolved within a reasonable time frame by the Team Manager should be taken to the appropriate TAAA Convener to come to the TAAA Overall Chair for review on direction.
- e) Any concerns pertaining to the members of the Board of Directors of TAAA should go directly, in writing through the form submission, to President.

- f) Complaints re: Referees & On Ice or Off Ice Officials - This forum of complaint is not meant for coaches or others who do not like the way a referee or linesman called a particular game, nor is it for questioning interpretations or judgment calls. Any serious concerns by coaching staff, or others, should be reported, IN WRITING, to the Thorold Referee-in-Chief and a copy to the Vice President of the TAAA.

Additional notes of consideration regarding Complaints.

- Any conflict of interest, real or perceived, that involves an Executive or Board Member, when tabled by another Board Member – the Board Member in question shall remove him/herself from the room until the Board or Executive decide (by majority vote) that there is no conflict of interest. If the Board does declare a conflict of interest, then the Board will decide, by majority vote, what role, if any, that person will be allowed to be involved in for that which involves the conflict issue.

11. INCIDENT REPORTS

If a TAAA member would like to report an incident, please complete the form entitled **Incident Report** which is found on the TAAA website. A completed form will be sent to the TAAA Board personnel appropriately positioned to deal with the incident. This is not necessarily a complaint, but can be used to report situations or concerns within the TAAA operations and team functionality. This would typically also correspond to the reporting of infractions against the TAAA Code of Conduct, and can be referencing a TAAA member or a visiting person/participant. These are also typically one time incidents that should still be documented.

Please review the document entitled: **TAA A Policy on the Dispute Resolution Process**

12. FORMAL COMPLAINTS

If a TAAA member would like to file an official complaint, please complete the form entitled:

*Thorold Minor Hockey Association Incident Report or Complaint Form
Found in the policy section on the website*

Please review the document entitled: **TAAA Policy on the Dispute Resolution Process**

13. DISPUTE RESOLUTION & DISCIPLINE COMMITTEE

We as an association are committed to creating a healthy, fair and efficient environment for resolving conflict.

The goal of the Dispute Resolution Process – which involves a committee named the Dispute Resolution & Discipline Committee (DRDC) is to design a process for resolving disputes that are straightforward and easy to follow. Under the Dispute Resolution Process, all complaints are required to be handled in a timely and efficient manner. In more complex cases where additional time is required, the parties will be notified of the status of the matter, including the reasons for any delay. The DRDC is also able to capably issue sanctions or disciplinary measures if or when required or in certain cases. The DRDC reports directly to the TAAA Board and must provide formal documentation of their business.

These guiding principles will help to ensure that barriers to conflict resolution are eliminated.

There may be occasions where it may not be appropriate to follow the exact steps outlined in the Dispute Resolution Process due to extenuating circumstances. The President may make that determination on a case by case basis. The TAAA Risk Management Director and/or the Executive VP would typically be the presiding TAAA representative(s) in DRDC business, which maintains the President having impartiality should intervention be required at a later date.

Please refer to the TAAA policy entitled :Dispute Resolution Policy

14. HARASSMENT, ABUSE & BULLYING POLICY

The Thorold Minor Hockey Association will adhere to any similar policy regarding Harassment, Abuse or Bullying listed on the Hockey Canada, Ontario Hockey Federation or the Ontario Minor Hockey Association website. All three governing bodies have clear policies regarding this topic, and all three indicate that member associations must also have their own parallel policy. The TAAA developed this policy directly from these documents.

The policy for TAA A is entitled: **TAAA Code of Conduct Stand Alone Policy** and is found on our association website.

Any complaints brought forward which fall under this category must follow the procedures outlined in the TAA

A policy relating to this type of complaint first.

Please utilize the provided Complaint Form specifically designed for the nature of this complaint which is located within the policy documentation itself.

a) **HOCKEY HELMET POLICY:**

- 2) must be two years older than the maximum age of the division/team for which they are volunteering for;

- 3) If not a TAAA player on an approved TAAA roster, they must register as an OIV with the TAAA registrar; An application for on-Ice- Volunteer must be filled out for approval.

c) TRAINERS:

An approved trainer must be present at the arena either on or near the ice surface during any TAAA practice. Teams are not permitted to participate in practices without a trainer. Injuries and medical emergencies can occur at or during a practice time slot just as easily as a game.

d) INJURED PLAYERS PARTICIPATING:

Players that are not able to play due to an injury (physical , concussion etc) and have not received full medical clearance to be participating in team activities are not permitted on the ice in "a lesser role" or as participants "just going for a skate". If you are not cleared to participate in a game, you are not cleared to be on the ice for practice.

e) PLAYER'S EQUIPMENT:

Any TAAA player participating in a team practice must be in proper equipment including a neck guard and mouth guard. The same equipment expectations for a game apply at a practice. Players should not be practicing in half-equipment (example: lower half only).

f) OTHER PLAYERS PARTICIPATING ON A TEAM'S PRACTICE ICE:

Players not currently listed on a practicing team's approved roster as a team member or as an Affiliated Player (AP) are not permitted to participate in their practice. (Unless that player is an OIV and is there assisting the team's coaching staff as per regulations).

At no time is a player of the same age group or younger age group permitted to be on the ice during another team's practice slot.

TAAA players have their team Scheduled ice allocated (to include shared ice when indicated)for that team/s to practice on; and therefore are not entitled to have additional practice ice with someone else or another team no matter what the circumstance or reasoning provided.

g) CLARIFICATION REGARDING SIBLINGS:

At no time shall a sibling / family member be permitted on the ice during any TAAA scheduled ice time unless they are for their own practice time. Any persons on the ice should be a TAAA member covered under Hockey Canada insurance as well as assigned to that specific team roster .

Only rostered members of the booked TAAA ice time as well as approved OIV are permitted on the ice during the team practice.

h) FACILITY:

Coaching staffs must be aware of any dangerous or unsafe conditions present within or around the ice surface when attending a practice. Some examples seen in the past year would be:

- Chopped up ice or rutted ice from previous ice user
- Nails sticking out from boards
- Broken latches on rink doors
- Open rink doors...or doors that are not fully closed or have a lip around an edge due to not being able to be closed squarely
- Broken rink glass panes
- Thin, damaged or melted area on the ice surface
- Leaking roof causing ice ruts/build up
- Damage to change room or area around the rink surface

If any items are observed please inform the rink staff immediately and please send a note to the TAAA administration team explaining the problem.

In some circumstances, if one or more of these conditions exist, please ensure that your team avoids worsening the problem and be prepared to stay away from the affected area if instructed by rink personnel.

Further, your ice time may have to be rescheduled should the problem be serious in nature or lengthy to get the fix completed.

i) DISCIPLINARY MEASURES RELATING TO PRACTICES:

Should an incident of non-compliance to these safety related policies take place at a TAAA team practice, the TAAA will take the following disciplinary steps:

- 1) Upon the first verified Incident: A Verbal and Written notification warning is to be given to the offending party by an applicable member of the TAAA Board. The offending party is to sign off that this warning has been rendered, and such documented notification is to be kept on file by the Association.
- 2) Upon the second verified Incident (*by the same party*): A Hearing with the TAAA Vice President and convener of that age and division is to be held for the offending staff. Tolerance for non-compliance of this policy is not permitted and therefore the OMHA will be notified as well of the incident, and the offending party may be sanctioned further by them.
- 3) In such cases, the following discipline shall apply from the TAAA, IN ADDITION to any sanctions issued by the OMHA.
- 4) The offending party shall be suspended from participation (whether it include games or practices) for a period of the next five (5) consecutive scheduled Ice times of that team.

- 5) Upon the third verified offence of this policy (*by the same offending party*): This will result in immediate removal from the TAAA approved team player/coaching/staff list and, removal from all approved rosters for which they are listed for the duration of the season. Only upon a formal meeting with the Discipline Committee, will consideration be given to a future return in a different season to a player/coaching staff roster. The OMHA will also be officially notified of the decision and terms.

16. TEAM DISCIPLINE

A Head Coach may administer in game disciplinary measures based on team rules (such as missed shifts) but should have reasons for said actions. Additionally, a coach may suspend, for discipline, any player for up to one game. Suspensions of more than one game must have the pre-approval of the Division Convenor and/or the Discipline Committee of the TAAA.

The Divisional Convenor shall be advised of all such suspensions. Documenting situations and sanctions may be requested at any time. Escalating instances may need to enter into the TAAA complaint process found within sections 13 and/or 14 of this Manual.

17. SPEAK OUT

Please refer to the Ontario Hockey Federation website, and view the OHF document entitled **Speak Out: Promoting Positive Behavior in Hockey**. This will be the TAAA's governing documentation on this subject.

24. ASSOCIATION EQUIPMENT

The TAAA will provide some equipment during the course of the season for our teams and/or members to use. Please report any deficient or damaged equipment to the TAAA Equipment Manager so that the items can be taken out of service and replaced .

The TAAA is not responsible to provide equipment to any member or any team outside of the regular hockey season (which concludes when a team has been eliminated from their playoffs or played their last regular game). Off season practices as a TAAA group, non-TAAA leagues, and personal training opportunities are not the TAAA's responsibility, and therefore it is up to the person/people participating to supply their own equipment required. TAAA equipment is for TAAA use only.

This list of items supplied by the TAAA may include

1) GOALTENDING GEAR:

The TAAA provides goal tender gear for U9 and below on TAAA Teams only. Any request for goalie equipment for players in an older age division is subject to review and/or availability. Each team in the divisions listed is entitled to one full set of goalie specific equipment for the hockey season. The Equipment Manager will allow equipment to be signed out to the Team Coach. Items must be returned at season's end. Any request by a team/person in addition to the one allocated set will be reviewed after each team has been issued their items first on an individual basis.

At times in Local League hockey, a second color of jerseys is required due to color conflicts. At least one set is available for each age division and is kept in the storage area. Should a team require a set of jerseys to take to a tournament, please sign the entire set out in advance with notification to the Equipment Manager and return promptly at the end of the tournament. All Jerseys are to be returned washed and in the condition that they were given.

6) **EXTRA TEAM JERSEY:**

Each team will be issued at least one extra jersey with a number and the sponsor name included to match your team set. The Head Coach should carry this at all times in case it is required for a player forgetting theirs, or due to blood, or due to damage in game, or can also be used for an AP. If this jersey is introduced into full use rotation, please inform the Equipment Manager so that a back up can be assigned to the team.

The TAAA Board will provide game jerseys for each team in the Association and will decide the design and details regarding jerseys. This plan and the purchase of association jerseys will be reviewed annually by the TAAA Board. Jersey acquisition may have an additional fee in any season that may be incurred by a player which is decided upon by the TAAA Board each season.

The TAAA will also look to National Programs (IE: Timbits/Tim Horton's hockey program and jersey supply offer) each season to assist in outfitting our players.

All Jerseys that are not part of the national program are the property of the TAAA. At the end of the each season the jerseys must be returned to the TAAA (via team representative /Equipment Manager). In the event there is damage /excessive wear the TAAA will notify the member that a new jersey replacement fee of \$75.00 will be applied with next season's registration. TAAA will establish a jersey return deadline date year and communicate to the membership by memorandum.

If a jersey is deemed unfit for play, or lost, the cost of a replacement jersey will be the player's, unless reviewed by the Board due to special circumstances.

26. ICE ALLOCATION, RESPONSIBILITIES

Prime time ice availability is the greatest asset of the TAAA. Its rental is the greatest single expense in our association. Its well-managed usage is a high priority and responsibility for coaches and managers. The following guidelines are approved regarding TAAA ice in the Thorold Arena:

- 1) ALL extra ice requests and potential bookings at the Thorold Arenas related to any TAAA team practice, game, or extra activity may only be booked through the TAAA Ice Scheduler. The City of Thorold will not conduct business regarding TAAA minor hockey teams and their ice needs and desires with team members.
- 2) The Ice Scheduler is the only person who can book ice for the TAAA. The City has been advised of this in writing. An ice hour is usually considered 60 minutes plus 10 minutes (for games) for the time it takes for rink staff to clean and resurface the ice as a target, but may not always be the case. Often practice ice is 50 minutes plus the ten minute flood period.
- 3) The Association registration fees are set to provide each participant with ice for games and practices each week/month.
- 4) It is understood that if the Association requires the use of ice on specific occasions, it may reassign previously allocated ice, i.e. for Association tournaments, playoff games, makeup games, etc.
- 5) **It is not "your" ice.** If a particular team has a particular hour of ice, weekly, and the ice is not needed by that team for a game (ie. the game is cancelled by the visiting center) there is no automatic right to that ice for that team and does not automatically become practice ice. The ice is to be returned to the Ice Scheduler to be used as required.
- 6) TAAA teams are not guaranteed a set practice time or slot each week. The Ice Scheduler communicates through the website scheduling and email if deemed required. It is your responsibility to check for any changes. (sign of for notification on the website)
- 7) The usage of TAAA ice is the full responsibility of the team in whose name it is in and which has been booked by the Ice Scheduler. If the team cannot use the hour from time to time, it must be returned to the TAAA Ice Scheduler with 96 hours notice; failing which the team forfeits their practice time for that week.
- 8) Sale of TAAA ice given to a team to any outside parties is strictly prohibited.

TAAA OPERATIONAL MANUAL 2022

- 9) Teams may not revise scheduled game times on their own. If a request for a game change is required, the following procedures must be followed:
 - a) Representative Teams: must first inform any game changes to the Ice Scheduler who will inform the Divisional Director, the NDHL, and the Referee-in- Chief.
 - b) Local League Teams (Novice and above): must first inform any game changes and/or request to the Ice Scheduler who will inform the Division Director, the NDLL and the Referee-in-Chief.
- 10) Within a Division, an hour of ice may be shared by more than one team, subject to the scheduling arrangements by the Ice Scheduler.
- 11) Hours will be allocated to player development such as Goaltending Schools and Power Skating at the discretion of the Board.
- 12) All hours of ice booked by the TAAA should be accounted for by the Ice Scheduler and reported at monthly TAAA Board meetings.
- 13) No team shall book extra ice outside the TAAA ice hours unless that team pays for the ice themselves. All extra ice is required to be reported to the Divisional Convener.
- 14) TAAA teams may request the TAAA to assist in booking these ice times for them to assure the team is getting the youth hockey rate, however, this will only be done should the team provide the exact date, time and location of the ice being sought. Teams will have to pay for this ice within 7 days from the time it is booked, by providing a cheque to the TAAA to cover the costs.
- 15) If two teams, regardless of fault, arrive for the same hour of practice, this procedure should be adhered to:
 - a) Each team will use half of the ice
 - b) Coaching staff must ensure the safety for all players
 - c) The Ice Scheduler should be informed of the shared ice as soon as possible.
- 16) If two teams arrive for the same ice hour, one for a practice, the other for a game, the game team will have that hour of ice. Ice Scheduler and Divisional Director must be informed as soon as possible.

27. CONTROL OF CASH REVENUES FOR TEAMS

TAAA, a non-profit organization under the Ontario law, is staffed by volunteers. Although we pay our referees, no member or participant may receive a personal use benefit, cash or otherwise, without the written consent of the TAAA Board.

THE BEST WAY TO PROTECT PERSONAL INTEGRITY IS TO ALWAYS OPERATE IN AN OPEN AND WELL DOCUMENTED MANNER.

All organizers associated in any way with minor hockey activities follow uniform procedures for the control of all cash revenues and collections.

All coaching staff of TAAA teams should not be involved with the handling of, transfer of or receiving of cash and team monies, as this should be left to the Team Manager and one team parent.

28. PLAYER REGISTRATION & PAYMENT

Please review the annual registration package posted on the TAAA website for details on registration and payment.

- a) No player may participate in Association activities unless he/she is properly registered. A player is registered when:
 - 1) **Fees are paid in full** - Registration will be rescinded if fees are not paid in full by October 1 of the current season. Players will not participate in TAAA ice times if monies are owing, and will not be placed on a TAAA team.
 - 2) A completed registration form has been filed with the Registrar of the Association and registration fees have been paid, or arrangements made for payment in accordance with TAAA policy.
 - 3) All NSF cheques must be made good within five (5) banking days of notification or registration will be rescinded. A NSF Cheque fee of \$50.00 will be applied (or cost from banking institution)
 - 4) Completed team lists on the appropriate required forms must be filed with the Registrar no later than September 30th for Rep teams who participated in Fall Tryouts, and October 15th for TAAA Local League teams who participate in the NDLL.
 - 5) OMHA "B" and "Tier 1 /2 and MD" Team Commitment forms must be completed, signed by player, parent and head coach and filed with the OMHA through TAAA's Registrar before the first team game. The Registrar will register local League players on appropriate OMHA forms before the first team game.
 - 6) TAAA Executive reserves the right to adjust the terms of conditions related to registration fees and schedule requirements on an annual basis. TAAA will provide a memorandum in advance with any changes to the membership.

TAAA OPERATIONAL MANUAL 2022

- b) Each year in May , the TAAA Registrar will be responsible to announce the registration details for the following season on the TAAA website. Full details, fees, restrictions and specialty announcements relating to all Registration related topics will be formally announced during this time.
- c) Registration is completed through the Hockey Canada Registry database system (electronic registration) except where indicated.
- d) Contact information which is current and up to date must be provided by any person registering for the TAAA so that official TAAA contact can be made when necessary.

The signing of any player/coach/parent contracts as requested by the TAAA must be completed prior to the commencement of the hockey season.

The TAAA respectively reserves the right to deny any registration application it sees fit.

Players must be registered and fees paid in full before participating in any game, practice, pre-season skate or try-out.

29. WAIT LISTS FOR REGISTRATION

Wait lists vary from year to year. This also is conditional on the conditions of an age group year to year and the years of birth of our members.

The following applies:

- a) Due to the number of players wishing to enroll with the TAAA, only returning TAAA players who were rostered to a TAA A team in the previous season, and registering by July 1st, will be guaranteed a place with the TAAA
- b) After July 1st, all registrants will be accepted on a first come, first served basis. Limits to registration have been set for each age division. Once the limits have been reached registrants any remaining participants interested in playing in the TAAA will be placed on a waiting list;
- c) Wait listed registrants will only be accepted once there is a vacancy in the appropriate age division;
- d) Wait Listed participants will be contacted in the following order:
 - i. Those who fill a specific need will be contacted first. (Ie: if the U15 LL division requires a goaltender to ice an additional team, that person who is on the wait list who can fill that position is the first to be contacted.)
 - ii. Those who are Thorold residents will be contacted next if they do not qualify as the person listed in previous point
 - iii. Non-Thorold residents who are arriving to the TAAA due to hockey not being available in their home centre will be contacted next
 - iv. Those who are non-Thorold residents and new to the TAAA will be contacted last to fill any remaining positions available in the TAAA.

e) The TAAA advertises on the TAAA Website and sends information directly to our TAAA membership list, in mid-May all registration information details for the upcoming season of hockey. It is up to the parents to keep themselves informed on registration dates, limitations, restrictions, conditions and payment terms, not the TAAA.

30. REQUESTS FOR TEAM PLACEMENT

The TAAA is not able to accept personal requests for players to be placed on specific teams with specific players/friends. We cannot accommodate all requests, therefore it is unfair to only accommodate a few requests, so no requests are accepted.

If a member feels that "special circumstances" exist that a request should be considered, they must write a letter or email or contact via phone or meeting directly to the Registrar (hockey committee) for special consideration prior to September 14th in any hockey season. Special circumstances will be treated with confidentiality. Special requests should only pertain to circumstances that are deemed to be of a more serious nature, not just convenience.

The decision of the Registrar (Hockey Committee) will be final.

Any in-season requests must be received through the appropriate Complaint Procedure policy that is listed within this Manual pertinent to the situation. These will also be ratified at the TAAA Board level at the next TAAA Board Meeting.

31. FINANCIAL ASSISTANCE

Playing hockey is a sport with increasing costs due to ice time charges, equipment expenses, game fess etc. The TAAA wants to supply this great sport to our local residents interested in participating. People in need of assistance should familiarize themselves with the following:

- 1) The TAAA is able to offer some advice and assistance to those who require financial assistance or a modified payment program upon request. We can also direct people to outside agencies who are willing to assist our community members with fees.
- 2) It is the responsibility of those seeking assistance to ensure that the TAAA receives all outstanding participation fees and not the TAAA's responsibility to find financial assistance.
- 3) Please view some of the programs (as advertised) available to get players into hockey programs (subject to qualification, change and/or availability).

All games must be sanctioned by the OMHA for insurance purposes. Travel Permits must be obtained to ensure insurance coverage and association notification of where TAAA teams are playing. ALL travel permits are processed through the OMHA Portal and are electronic. Teams can request a travel permit by submitting the Form – Travel Permit on the TAAA website – either for an Exhibition game or for a Tournament. The hosting Regional Director and/or Tournament Convenor may disqualify teams traveling without a permit from tournament play or void the exhibition game. Therefore, the permit must be available at all tournaments and available at all exhibition games.

Team officials are subject to disciplinary action for non-compliance with travel regulations.

The first offence of a team traveling without an appropriate travel permit will result in a 14 day suspension to the responsible team officials. Second offense will result in an indefinite suspension from the TAAA in any function. Coaches can also be held liable for injuries if appropriate permits have not been obtained.

Requests for Travel Permits must be made at least a week prior to game(s). Travel Permits MUST accompany a team to their game(s).

Upon completion of all Exhibition game(s) or Tournaments, the TAAA Overall Chair must be advised of any suspensions. If electronic game sheets are not utilized TAAA will require a copy of the game sheet(s), to be dropped in the TAAA Mail Box.

Travel Permits are required for:

- All tournaments whether hosted by the TAAA no matter the location.
- All Exhibition games no matter the location.
- All Roster Select team games & tournaments that are played whether the team is considered the Home team or the Away team.

Travel Permits are NOT required for:

- Regularly scheduled league games.
- Regularly scheduled league playoffs.
- Provincial/OMHA Play downs.

The team manager is responsible to maintain and have available the validated copy of the OMHA Approved Roster when traveling out of the home Regions and regular league play. The coaching bench staff must also have evidence of OMHA approval to be on the bench. In the case where a team is using another team's staff member or an at-large rostered staff member, then the team in which they are approved must provide you with a copy of their approved roster to carry with you as well.

Any Affiliated Player participating in such a game will need to be on your Approved Roster as an approved AP prior to be allowed to play.

Player and Team Management Suspensions received within or from the TAAA, or Home Region/regular league play are also effective when traveling and apply to all tournament and exhibition game activities as per the current OMHA Manual of Operations. Please refer to this in advance.

All TAAA teams, as “representatives” of our City, Community and Association, will attend all games while travelling, whether home or away, in appropriate attire and are to adhere to any Association dress code – either all in shirt and tie or Thorold team wear, no shorts, no holes in the pants for all players and bench officials. Any contraventions of the TAAA Code of Conduct that may occur while travelling will be treated in the same fashion as would be in regular League or Association activities, no matter where the travel occurs.

38. GAME CANCELLATION AND RESCHEDULING

There are instances where games are cancelled or re-scheduled due to unforeseen circumstances or due to another center's issues. The TAAA will strive to have all games rescheduled and played in the fastest and most convenient method possible. The TAAA Ice Scheduler is the only person who can rearrange games when requested to do so by TAAA teams. The NDHL and NDLL schedulers may also reschedule games.

Bad Weather or Mechanical Failure - In the event that bad weather or mechanical failure forces an unplanned closure of the Rinks used by TAAA, the Rink Manager (City) has been instructed to contact the TAAA's Ice Scheduler or President. The Ice Scheduler or President or Association Vice President will in turn relay the message to the managers and/or coaches of the affected teams, the Referee-in-Chief and the Niagara District Delegate or Coach of the visiting team. The TAAA webmaster or the Ice Scheduler would be responsible to get into the association website – which is linked to the NDHL/NDLL database – and provide the proper electronic confirmation of the game cancellation – which will send out electronically generated cancellation notices.

School Exams or Travel, Etc. - As a general principal, team management must meet scheduled game obligations at home or abroad before committing to other interests. Players must advise coaches of exam/game schedule conflicts early enough to allow the coach to arrange for players from the affiliated team to fill in for missing players or to reschedule games. Coaches should make every possible effort to meet game commitments. Failure to do so unexpectedly when scheduled to visit other associations is likely to result in the other Association billing the team through TAAA for the cost of the scheduled games to include referees, timekeepers and ice not used.

39. GATE COLLECTIONS

2022 OMHA has mandated that no gate fees are to be collected
Refer to the current OMHA manual to ensure this is still in effect

TAAA may be tasked with collecting gate fees during certain playdown/playoff series where the contract indicates that gate fees are to be collected. The gate fee rates will be set in any contract.

- 1) There are to be no gate collections done at any home TAAA NDHL and LL/HL regular season or playoff games. No collections are permitted for exhibition games and TAAA Rep league games.
- 2) Collections are only permitted during OMHA Play down games and this will be indicated on the accompanying contract for that series. These fees can vary from team to team, or age group to age group, depending on the finalized contract.
- 3) ALL gate collections are the sole ownership of the TAAA and are NOT the property of the team participating in the game being played while fees are collected, nor any person who is volunteering their time to collect the fees.
- 4) Gate fees are used by the TAAA to pay for timekeepers, referees and ice times during the playoffs (which often include ice bookings that include time for overtime games). Much of this information is not necessarily budgeted or known at the season's start because it is hard to predict which/if any teams may have very lengthy and successful playoff runs with many home games.
- 5) Gate fees are to be collected by two board members/volunteers from the team that is playing that game in which the fees are being collected. The fees are to be turned over to the Representing Board Member with a reporting sheet of the count for verification.
- 6) Gate fees apply to any person entering the game – (exceptions.- Coaches , Players, OMHA representatives)
- 7) Gate fee collection should commence about 70 minutes prior to puck drop and should end within 40 minutes of the game starting.

40. PLAYDOWNS & PLAYOFFS - CHOICE

The TAAA allows Representative teams to enter both post-season streams available – the OMHA Play-downs, and the NDHL Playoffs.

The following conditions apply:

- a) The team must be prepared to play all games scheduled as per the OMHA Contracts and the NDHL Scheduler & Contracts. Teams cannot miss or skip or adjust any games or they will be charged the cost of putting that game on, and face any disciplinary sanctions imposed by a governing league for not fulfilling a contract. No Exceptions
- b) The TAAA will cover all costs of teams entering playdowns and playoffs when a team is only participating in one stream at a time.

- c) Playdowns often start early and therefore a team can be eliminated from Playdowns prior to Playoffs even starting. If a team is eliminated from Playdowns, they can continue with NDHL Playoffs and this is fully covered by the TAAA.
- d) Rep teams are currently assigned a weekend tournament style Playdown. If a team is eliminated from that competition during the weekend, then they may enter the NDHL Playoff stream – and the TAAA will cover all costs of having participated in both.
- e) Teams must submit their intentions in writing to participate in both the OMHA Playdowns and the NDHL Playoffs with the District Chair Representative and the TAAA Ice Scheduler a minimum of 15 days before the NDHL Deadline. Teams must also sign a commitment form with the TAAA to bare all costs associated with the NDHL Playoffs.
- f) Teams that are in OMHA Play-downs brackets/competition **and** then still choose to participate in the NDHL Playoffs by the NDHL published declaration deadline, will be considered to have entered both streams of playoffs, and therefore will be responsible for all costs incurred as a result of those NDHL Playoff games (ie. Ice rental, referees, time-keepers). The participation in the NDHL playoff is a choice for teams still active in the OMHA Playdowns, and therefore teams choose to accept the costs involved in participating in the extra games. Teams may request an approximate cost in advance from the TAAA so that they are able to plan ahead and make an informed decision prior to signing up for both streams. Teams will be billed by the TAAA for these games and are therefore responsible to refund the TAAA for the expense.

** Please note: If a team is then eliminated from the OMHA Playdowns while the NDHL Playoffs are still ongoing, the team must continue to fund the NDHL playoffs as a team (because if they had not chosen to enter the NDHL playoffs, their season would be finished).

42. RESPECT IN SPORT PARENT PROGRAM

All TAAA members must have at least one parent/guardian who has taken the Respect in Sport Parent Module online course which is then linked to their player's registration profile. Instructions for accessing this program are found on the Association website. Players cannot be included on an approved roster until the player's parent/guardian has completed this course as per the OMHA. There is no reimbursement for this course.

All members should continue to practice the Respect in Sport philosophies covered in the course material, and the TAAA Code of Conduct parallels this material. Please review this documentation frequently.

The TAAA may request that any member take the Respect in Sport Parent Program online course again should situations arise.

43. GENDER EXPRESSION & IDENTITY PROGRAM

The OHF & OMHA have implemented Gender Identity and Gender Expression courses as well as a Guide to the Dressing Room Policy and Confidentiality Statement modules for all team officials, which is a mandatory requirement to be approved to a roster.

All team officials will require an eHockey account in the Hockey Canada Registry (HCR) in order to register for and complete the two Modules. Once completed, notification will be posted to the team officials' member profile on the HCR.

The first step in completing the training is to ensure all team officials have an eHockey account, in order to sign up for the required clinic. If you do not have an existing eHockey account, [click here](#) to create an account now.

Gender Diversity – Pre-Season Chats

As a Team Official you must complete the e-learning training, specific to “Understanding Discrimination based on Gender Identity and Gender Expression” and A Guide to the Confidentiality Policy and Dressing Room Policy”. It is now important, and a requirement of your training that this information be passed on to the parents and players of your team as you create a safe and inclusive environment for the coming season.

The OHF requires the “pre-season chat” specific to Gender Diversity to take place at the beginning of each season. The “pre-season chat” take place at the outset of the season in order for everyone to be aware of the policy.

The following link below will take you to the “pre-season chat” checklist to be used in providing this important information to the teams. (Pre-Season Chat Checklist)

A pre-season chat checklist can be found here;

- 4) Trainer suspensions and penalties – Trainers assessed in-game penalties are viewed as a serious infraction by the OMHA. Should a Team Trainer receive a bench penalty, the OMHA will review each case directly. Trainers are to be on the bench to watch the play, act as the emergency response person for their team, or both teams, plus for the officials, should a situation arise. Trainers are NOT to be working a bench door, providing coaching tips to players or arguing with officials. Trainers are to attend to the duties and responsibilities of the Trainer's Role on the team.

This is not to be used as fallback position by the TAAA. The TAAA must provide a trainer for each game played in the Thorold Arenas where a Thorold team is playing. Should a team require a trainer they are responsible for finding one from another rostered TAAA team which indicates an approved trainer, or from the At-Large Trainer roster. A game cannot start without a trainer on the bench who has signed the gamesheet as the team's trainer.

46. CONCUSSIONS

TAAA has included in all binders Concussion Awareness Information.

** Please note: It is important to keep knowledgeable on all new concussion awareness information as it arises due to new research and notices regarding Concussions and the Prevention of Concussions that may come forward from changes in Town or Provincial and/or OMHA / Hockey Canada policy or law on this subject.

The TAAA is committed to promoting awareness of safety of all players and recognizes that the health and safety of all players are essential preconditions for playing hockey. All stakeholders in minor hockey, including coaches, managers, trainers, and TAA A members have important roles to play in promoting player health and safety and in fostering and maintaining healthy and safe environments in which players can learn and enjoy the game.

A concussion...:

- is defined as a brain injury that causes changes in the way in which the brain functions and that can lead to symptoms that can be physical (e.g., headache, dizziness), cognitive (e.g., difficulty in concentrating or remembering), emotional/behavioral (e.g., depression, irritability), and/or related to sleep (e.g., drowsiness, difficulty in falling asleep);
- may be caused either by a direct blow to the head, face, or neck or by a blow to the body that transmits a force to the head that causes the brain to move rapidly within the skull;
- can occur even if there has been no loss of consciousness (in fact most concussions occur without a loss of consciousness);
- cannot normally be seen by means of medical imaging tests, such as X-rays, standard computed tomography (CT) scans, or magnetic resonance imaging (MRI) scans.

A concussion can have a significant impact on a person student – cognitively, physically, emotionally, and socially. It is very important to TAAA players' long-term health that individuals across TAAA have information on appropriate strategies to minimize risk of concussion, steps to follow if they suspect that a player may have a concussion, and effective management procedures to a players' return to playing after a diagnosed concussion. TAAA will make available concussion awareness documentation on its website under "Panther Parents."

In addition, concussions are referred to in the stand-alone TAAA Policy entitled: "Injury Reporting Policy and Return to Play Guidelines."

47. TEAM SPONSORSHIPS

The TAAA Board shall set team sponsorship rates in conjunction with the budget but not later than April 1 for the coming season. The TAAA Board position of Sponsorship Director shall then offer these sponsorship opportunities to sponsors from the past year first before any new sponsors are solicited. The TAAA will gladly accept offers to sponsor teams from new entities at any time. The TAAA will publish documentation and agreements for sponsors so that the relationship has been put in writing. This documentation is to be kept by the Treasurer.

In return for team sponsorship sponsors shall be entitled to the following:

- 1) Sponsor name on the back of each player's jersey (Home for Travel Team sponsorship)
- 2) Promotion of the sponsor through the TAAA website along with any link to the sponsor's business as provided
- 3) Sponsor name listing in any program or promotional material created by the association
- 4) Sponsor name (and any applicable logo) on any team banner produced
- 5) Sponsor name included with any media releases (Newspaper or social media)
- 6) Sponsor recognition plaque/item including team picture at the end of the year
- 7) The opportunity for a team jersey to be donated to the sponsor in certain scenarios as determined by the Board
- 8) Teams should provide contact information to the Team Sponsor, provide them with a schedule, forward the sponsor the website link, and invite them to a game to meet the team.

The Board may find certain situations where it is advantageous to have two sponsors for a team or a split sponsorship. In these cases, each sponsor will be charged the House League rate at Rep or an equal split of the rate for LL teams. They are going to be entitled to all of the above items with the exception that one sponsor shall be listed on the Home jerseys and the other sponsor shall be listed on the Away jerseys, or it will be dispersed evenly across the number of jerseys ordered.

There are also some national/provincial sponsorship programs that TAAA will pursue annually which enables the TAAA to provide jerseys and/or funding to the TAAA. These teams will need to comply with any conditions of those programs as well.

48. ICE AND PRACTICE ALLOCATION

The TAAA currently is a member of the NDHL and the NDLL. Both leagues provide a game schedule to their participants plus playoffs. Based on this, TAAA allocates approximately one practice session per week per Local League team, and two hours per week per Rep hockey team. (Representative U9b/MD – U13B will utilize one of these ice hours at 6:30 am Practice) The TAAA fees are accordingly set to reflect this difference and these amounts. Our U7 and U8/U9LL two ice hours per week per player either through practice time or game time as they both have no external game schedule to participate in.

The ice provided by TAAA is not a team's ice....it is the association's ice.

At no time shall a non registered OMHA participant enter the ice area

- 1) **ADDITIONAL PURCHASES:** If and when TAAA teams would like to have more ice, they are free to arrange their own practices outside of Thorold ice times at another neighboring arena. However teams must be mindful of insurance regulations required by some surrounding towns and/or arenas. Teams should also ensure they are trying to get the minor hockey rate offered at many facilities. The TAAA Ice Scheduler may also be of assistance in booking these times for teams. IF teams contact the ice scheduler with the exact arena, time, date etc that the team desires to book. TAAA will track these bookings for invoicing purposes.
- 2) TAAA teams are not permitted to arrange ice times with the City of Thorold without involving the TAAA Ice Scheduler.
- 3) **EXTRA:** There are times when the TAAA can issue "extra" practice times to TAAA teams above their allotted number however the team will be invoiced for these ice times and will be responsible for repayment within 15 days. This will be communicated with teams before the ice time has been accepted, and it is not mandatory to take an ice time offered to your team that is considered an "extra".
- 4) **NO FAULT CANCELLATIONS:** Practice times and game times are always subject to last minute changes and cancellations should TAAA require the ice slot for something else or if some occurrence happens that impacts the ice time (equipment failure or arena issue).
- 5) **LATE CHANGES:** Practices that are skipped by a team or cancelled by a team within 120 (5 days) hours of the ice time, will still have this time counted against their team's total. Teams that take an ice time with less than 3 days (72 hours) notice will not be charged for this practice ice, and will not have it counted against their total time utilized for the season so it is in essence a "free practice".
- 6) **POST SEASON PLAY:** All teams will receive their practice times allocated up until they are eliminated from their league playoffs. When their season is done, their practices as supplied by the TAAA are completed. No exceptions. This end date could be anywhere from February 15 all the way until April 1 – dependent on the team's results.
- 7) Entering post season hockey tournaments does not constitute regular season programming, and therefore no practices should be expected from a team who may be entering a post season tournament.

49. BOARD or MEMBER MILEAGE REIMBURSEMENT

TAAA members shall be reimbursed for mileage accrued while on official TAAA business for the association. The purpose of the trip shall be pre-approved by the Board and does NOT include activities to do with any TAAA team activities. The mileage will be paid at the posted current Ontario rate of \$0.??/km for all trips of greater than 15 kilometers (round trip) and shall be calculated using the Doherty Arena (or starting point to which is more favorable to the TAAA) as the beginning and ending point. When instances occur where multiple board members are attending the same function, members are encouraged to car pool to the utmost extent possible.

50. TEAM ACHIEVEMENT BANNER DISPLAY

The TAAA will create a team achievement banner upon winning of the OMHA Championship.

Each banner will be displayed in the Doherty Arena providing the City of Thorold is still in agreement.

If the Niagara district provides a Championship Banner upon obtaining the championship the City of Thorold will display this banner for a period of one year .

Any team earned banners will be the property of that current team and the team will decide the end location . (Not to include the Thorold community Arenas)

55. PARENT - CHILD GAMES

Due to insurance regulations, association teams are NOT permitted to organize or participate in any type of parent/player games under TAAA's booked ice. This is strictly forbidden and will result in immediate team suspension from play.

TAAA ice is for rostered players, certified approved volunteers and staff only.

56. BUS or COACH TRAVEL

The TAAA does not advise teams to utilize this form of travel. However, if teams feel this is an acceptable option for their teams, then a proposal can be put forward to the TAAA Board at least 3 weeks in advance of the proposed trip (when known). For playoff series usage, please provide as much advanced notice as possible in submitting the request for approval. These requests will be reviewed by the Board.

Teams are not to finalize usage of a Travelling Coach method without TAAA approval.

58. NON SANCTIONED HOCKEY

TAAA is a member association of the Ontario Minor Hockey Association (OMHA) and by extension Hockey Canada, the governing body of amateur hockey in Canada. There are many leagues that fall outside of OMHA and Hockey Canada. Participation in any of these leagues, while being an active member of TAAA, is not allowed and participating members may face certain sanctions imposed by OMHA and Hockey Canada, including suspension of TAAA membership for an extended period of time.

59. THOROLD MINOR HOCKEY ASSOCIATION WEBSITE thoroldminorhockey.com

Members of TAAA should be aware that the website is considered the main conduit of information to our membership. Scheduling, registration, policies, forms, news and important announcements will be posted to the thoroldminorhockey.com website and will serve as the official notification avenue to our members. It is the responsibility of all members and staff to be in contact with the Association's website to stay informed of all TAAA related items.

The

Thorold Minor Hockey Association currently uses the MBSportweb platform as a host for our website and in conjunction with our neighboring associations we are all linked together through the DB One database system with the OMHA mainly for scheduling and game reporting purposes. This is highly advantageous for the association.

Therefore our teams will utilize the team microsite assigned to the team for all team scheduling and communication of team news and activities. Each season one team designate will be issued a season long login and password.

The TAAA is committed to excellence and providing the best "overall hockey experience" provided to our players. This assists their growth both in and out of the sport.

The development needs of the organization will be reviewed by the Board on an annual basis and the TAAA Player Development Plan will be updated/submitted to the Board for approval near the beginning of each season to meet any changing needs in the minor hockey sphere.

63. REPRESENTATIVE TRYOUTS / EVALUATIONS

TAAA has developed processes and policies to oversee the tryouts and team selections for TAAA Rep teams each season.

Policy still in process.

64. LOCAL LEAGUE PLAYER EVALUTIONS & TEAM ASSIGNMENT POLICY

TAAA house/local league age groups. The general basis for this is fairness and equality, spread across the TAAA teams, within any one age group. This also assists in the TAAA entering teams into the NDLL in a fair manner for our members so that one team is not highly disadvantaged skill wise.

All TAAA teams are subject to player movement (trades) to balance teams until the roster deadline. Optimally this would be done in the first 10 days after the teams have been divided in any one season.

66. AFFILIATED PLAYER POLICY

Please review the document entitled: **Thorold Minor Hockey Association Affiliated Player Policy**.

Please refer to the document entitled **TAAA Roster Select Policy**.

68. MULTIPLE SUSPENSION POLICY - PLAYERS

When a Player is issued a third (3rd) suspension, be it OMHA or TAAA derived, the following procedure will take place:

- 1) The player must download the TAAA Multiple Suspension Report Form from the FORMS section of the web site.
- 2) The player needs to complete Section A of the form with comments about their first three suspensions.
- 3) The player must then provide the form to their HeadCoach to complete Part B: Coach's Comments.
- 4) The completed form is to be delivered to TAAA's VP-Operations.
- 5) Once the form has been received, a meeting will be called with the TAAA Multiple Suspension Discipline Committee, the player and a parent/ guardian. Please note that there will be a time lag between the receipt of the completed form and the date of the meeting. During this time the offending player is suspended even if the OMHA/TAAA suspension has been completed. No games can be played pending the outcome of the disciplinary meeting.

After the disciplinary meeting there can be several consequences.

- a) The committee may issue a verbal warning to the player.
- b) The committee may provide supplementary discipline.
- c) A combination of the above consequences.

The results of the Committee's discussion, including further consequences, will be noted by the meeting Chair.

The meeting Chair will inform the player and parent or guardian of the Committee's decision within 48 hours as well as the TAAA Board at the next meeting.

The purpose of this procedure is to have the player recognize their behavior and stop making poor choices. Unfortunately, not all players will do this.

For subsequent suspensions:

- a) The player is suspended from play immediately until another discipline meeting is scheduled.
- b) The discipline meeting will be called at a cost of fifty dollars (\$50) to the player, paid by cheque to TAAA or cash prior to the meeting being scheduled.
- c) Consequences could include those listed above or suspension from TAAA.

If unacceptable behavior such as foul language or disrespect for the process is displayed at any time by the player or the parent/ guardian during this procedure, the meeting can and will be cancelled. The player will remain suspended until a new discipline meeting can be re-scheduled.

TAAA OPERATIONAL MANUAL 2022

This would be open to any minor bantam or major bantam player intending to attend tryouts for the upcoming season. In some cases, the TAA A may also consider the inclusion of a 15 and older age player to attend the clinic if they have no previous body checking game play experience. It is typically 2 hours in length as a minimum.

The clinic is not open to any player who has played on a team designated as participating in a Body Checking allowable league at any time in the past.

The clinic will be offered to TAAA Players who were on a rostered team in the previous season free of charge. If spaces are available, non-TAAA players (in the season previous) may participate at the cost of \$15 per session (an hour).

The list of participants will be capped at 28 players.
